Help a fellow state employee get a home

Dusty Worthington, a custodian for DES, stationed at L&I HQ building, is currently working with Habitat for Humanity to build his home located in Tillicum.

As a Habitat requirement, all those participating in the program, including Dusty, must put in about 500 sweat equity hours. 160 of these hours may be contributed by family or friends. (This is where we come in.)

We are looking for individuals who would like to volunteer their time and help Dusty meet his hour requirement. Any amount of hours you can volunteer will help.

What we need from you:

- Attend a Habitat for Humanity 60-minute orientation. Date and location to be determined when we get the interest of at least 10 volunteers
- go to an organized worksite event and help paint, put in a few fixtures (work party in Dec/Jan)

  or

- help in the Habitat RE-Store in Pierce County (on your own time)
